# Financial Savings Programs

As a Member, you have access to over 100 programs that could provide thousands of dollars in potential savings. You are part of an organization that is making things happen in Michigan. Whether it is taking part of our health care program, our exclusive networking programs or our various member discounts we offer personalized service to your specific business needs. Here are some highlights, but not all, of the financial savings programs we provide:

# Facilitated Networking

For years our Association has set the standard for quality events that promote learning the best business practices and fostering important networking between its members and others. The following are just a few of our top events.

## Women & Leadership in the Workplace Annual Conference & Awards Luncheon

Honoring women for distinguished leadership, informative workshops, keynotes, and networking opportunities.

## 101 Best & Brightest Companies to Work For – Southeast & West Michigan

Recognition of excellence program for leading businesses who have excelled in human resources Best Practices.

## Legislative Reception – Lansing

Network with many government officials to discuss important business issues.

## Metro Detroit Youth Day

Bringing together thousands of Metro Detroit young people (ages 8 to 15) to enjoy games, contests, speakers, sports clinics, free lunch, entertainment, and the awarding of scholarships.

## Michigan Business & Legislative Forum

This event brings legislators and business people together to create dialogues about critical public policy issues in Michigan.
